The Ronald Reagan Institute (RRI) strives to complete President Reagan’s unfinished work and to preserve the timeless principles he championed: individual liberty, economic opportunity, global democracy, and national pride. RRI is an entity of the Ronald Reagan Presidential Foundation & Institute in Simi Valley, California that promotes President Reagan’s ideals, vision, and leadership example through substantive, issue-driven forums, academic and young professional programming, and scholarly work in Washington, D.C.

The Elliott School of International Affairs (ESIA) is the professional school of international relations, foreign policy, and international development of the George Washington University, in Washington, D.C. It is highly ranked in international affairs and is the largest school of international relations in the United States.

The Graduate School of Political Management (GSPM) is the school of political management and applied politics, strategic communications and civic engagement at the George Washington University, in Washington, D.C. Its graduates hold a variety of professional titles including campaign managers, pollsters, speechwriters, communications professionals, legislative aides and directors, candidates, lobbyists, and new media experts. It is the only school of applied politics in Washington, D.C. The faculty trains students of all political persuasions in how to win campaigns, advance legislative goals and impact public opinion ethically.
